

# FIRE ESCAPE PLAN *Checklist*

Designate multiple escape routes.

Assign a meeting point outside the home.

Ensure everyone knows how to call emergency services.

Regularly check and maintain smoke alarms.

Practice the escape plan periodically.

## WHAT NOT TO DO IN A FIRE

Do not use elevators.

Avoid opening hot doors.

Do not go back inside for belongings.

Do not hide under beds or in closets.

Do not attempt to put out large fires yourself.
